

Mrs Claire Murray  
Headteacher

Dear Parents / carers,

As part of our commitment to celebrating pupil achievements and sharing school events with not only that of our community but with our wider Rise MAT family photos and videos of our pupils during various activities will be shared on the school and Trust websites, social media platforms, or used in newsletters and other publications.

To ensure that we have accurate and up-to-date consent for each pupil, we kindly request you take a moment to review and update your child's photo consent. This will help us respect each family's preferences and protect the privacy of our pupils.

### How to update permissions

1 Please log in to your parent portal either through your Arbor parent app or online

<https://login.arbor.sc/>

2 To review, give and update consents select the "View Student Profile" button. Missing consents will be flagged in "notices" or scroll down to the consents section.

3 Save any changes, these will be sent to the school admin to be approved. If the system does not allow you to amend, please contact the school office.

Please note, from the time of your request to change any of the authorisations regarding photographs, images of your child will not be used in future publications but may continue to appear in publications already in circulation. Any image may remain on the school and Trust website and in printed promotional material even after your child has left. These may continue to be there until the next update of the website or printed materials.

Thank you for your time and co-operation. We appreciate your help in keeping our records up to date.

Yours sincerely

Claire Murray  
Headteacher
