

## Snow Plan

The decision to stay open or close the school is made by 7.15am. This will be based on:

- The ability of staff to get into school (this will be based on number of staff and pupil ratio)
- Safety condition of the buildings and surrounding areas
- The likelihood of the weather getting worse during the day

The decision will be made by the Headteacher along with the Premises Officer.

If the school needs to close, we will send an in-app message via Arbor and an email informing you of the decision as soon after 7.15am as possible.

If the school is open, children will be expected to attend, and all unexplained absence will be unauthorised. Please be aware that if the school needs to close, any before or after school clubs will also be closed, this includes SuperStars After School Care.

If the decision is made to open the school, we will endeavour to not close during the day unless the weather becomes more extreme and there is a risk to pupil and staff safety. For children who ordinarily go home on their own we will endeavour to contact the parents of these children to make alternative arrangements or they must stay at school until home-time.
