

BARLESTONE CofE PRIMARY SCHOOL

News from Mrs Murray

It has been a tough week with the heat, the children have all been fantastic and listened to the advice from adults to help them remain as cool as possible. We appreciate your support in accommodating the changes this week to enable this to have been a successful week. Hopefully it will be business as usual from next week.

With only 2 weeks left it is a busy time for us all the children will be having their move up morning next week on Thursday where they will get to meet their new teacher for next year.

We have also been welcoming the new Hedgehogs into school for their familiarisation sessions. We can't wait for them to join us fulltime in the new year!

Thankfully the weather held out for Sports Day last week - Well Done! to Amythyst who are our champs this year!!

We sent out information regarding the change to the Government offering of Free School Meals. We have now added this information onto our [website](#). If you think you are eligible for either Targeted or Enhanced FSM please complete this [Microsoft Form](#) and school will be able to check for you.

Recently, we have observed that some parents are bringing dogs to the school gates and onto the premises. For the safety of our children and families, we kindly request that dogs not be brought onto the school premises during drop-off and pick-up times. If you do bring your dog during school runs, please stand away from the entrances to the school.

Thank you for your cooperation.

How to Contact School

- Email – office@barlestone.risemat.co.uk
- Call – 01455 290511

Please use these two methods for contacting school, this guarantees your message will get through and dealt with promptly. School email address is regularly monitored.

Please can you be considerate where you park on Little Mill Lane, a concerned resident has raised issues with getting in and out of their driveway and it being dangerous for those using the pavement
Thank you
